

MALTEPE UNIVERSITY INTERNATIONAL STUDENT CONGRESS ON NEW  
TECHNOLOGIES IN ENGINEERING

ICNTE 2019

Faculty of Engineering and Natural Sciences

Istanbul, TURKEY

Dear Students,

On behalf of the organizing committee, we are proud to announce that we are hosting the 7th Maltepe University International Student Congress (ICNTE) in Istanbul, Turkey, between 9-10 May, 2019. Since 2013, ICNTE has brought students from around the world giving them the opportunity to express and share their research interests and ideas on a variety of important issues in engineering. The most important feature of the conference is that the speakers will consist of undergraduate, graduate, and Ph.D. students, typically affiliated to engineering programs. All the students are welcome to be a part of our congress with their articles, dialogues, notes, and further comments. Participants must present at least one paper at the congress.

ICNTE will be held between 9 and 10 May 2019 at the "Marma Otel Istanbul" located in the main campus of Maltepe University, Istanbul. All accommodation (including hotel fees as well as breakfast, lunch and dinners) is free of charge for participants. Travel expenses (to Turkey and back home) will have to be covered by the participant himself/herself.

Brief information on the conference themes/topics, important dates and logistics is provided below. Abstracts of up to 300 words should be submitted for peer review by **March 1th**, 2019 via email to the conference address. Guidelines will be e-mailed to you after we receive your letter of intent.

Best regards.

**ICNTE'19 Web Address:** <http://www.maltepe.edu.tr/icnte/>

**ICNTE'19 Email:** [icnte@maltepe.edu.tr](mailto:icnte@maltepe.edu.tr)

## CONFERENCE TOPICS

As with the new developments in technology, ICNTE'19 aims to provide a platform for undergraduate and graduate students to take a closer look at areas of interest including, but not limited to, the following topics: Advanced Manufacturing, Advanced Material and Energy Technologies, Advanced Material Applications in Civil Engineering, Approximate Computing, Artificial Intelligence, Artificial Neural Networks, Autonomous Systems, Big Data Applications, Bio-medical Image and Signal Processing, Bioinformatics and genomics, Biometric Systems, Business Intelligence, Circuits & Systems, Circuits and Systems, Collective Intelligence, Communications Engineering, Computer Science, Control Engineering, Data Mining Techniques, Decision Analysis, Deep Learning, Earthquake Engineering, Edtech: Educational Technology, Electromagnetic Fields and Microwave Techniques, Electronics, Engineering and Technology Management, Expert Systems, Fintech: Financial Technology, Fuzzy Systems, Geotechnical Engineering, Hydraulic Engineering, Image and Video Processing, Industrial Systems Engineering, Information Forensics and Security, Information Systems, Intelligent Infrastructure Systems, Intelligent Transportation, Internet of Things (IoT), Machine Learning, Management, Medtech: Medical Technology, Multidisciplinary approach to Civil Aviation, Nanotechnology and Nano systems, Operations Research, Optimization Methods, Pattern Recognition, Power Systems, Programming Languages, Radar and Sonar Signal Processing, Robotics, Semantic Intelligence, Sensor Array and Multichannel Signal Processing, Signal Processing, Simulation Techniques, Smart Applications, Smart Cities, Smart Energy, Smart Health, Smart Houses and Buildings, Smart Mobility, Smart Production, Smart Systems Integration, Software Engineering, Speech and Language Processing, Structural Engineering, Structural Materials, Transportation Engineering, Urban GIS, Wireless Sensor Networks.

## IMPORTANT DATES

**Abstract Submission Deadline: 1 March 2019**

**Notice of Acceptance: 15 March 2019**

**ICNTE 2019: May 9-10, 2019**

### IMPORTANT NOTICE

**There is no registration fee for the Congress. It is sponsored by Maltepe University, hence, expenses specified below are covered by Maltepe University free of any charge.**

<b>COVERED by MALTEPE UNIVERSITY</b>	<b>NOT COVERED by MALTEPE UNIV.</b>
Accommodation during the Congress at 5-star "Marmara Hotel Istanbul"	Flight Tickets
Transfers from airports to the hotel and from hotels to the airports	Personal Expenses
Breakfasts, lunches and dinners Gala Dinner	Overestimated accommodation
Access to all sessions	Transfer demands from the campus to the city center
Coffee breaks	Extra drinks and meals
Conference materials	Guests' participation and expenses
Istanbul sightseeing	Visa expenses <i>–if required–</i>
